NR 50	48%	45%	32%	25%	33%

Avery Dennison (NYSE: AVY) is a global leader in the design and manufacturing of automotive restyling films including automotive window films and Supreme Wrapping™ Films. With over thirty years of experience, you can feel confident in your investment in Avery Dennison quality products engineered to enhance your driving experience. Headquartered in Glendale California, with operations in more than 50 countries and employing over 25,000 people worldwide, Avery Dennison serves customers in the consumer packaging, graphical display, logistics, apparel, industrial and healthcare industries.

<sup>1</sup> No-fade refers to Avery Dennison automotive window film products maintaining color tone for the duration of the limited, lifetime warranty. Avery Dennison automotive window film products are subject to slight variations of natural aging within accepted industry standards.

<sup>2</sup> For information on warranty terms, exclusions and certain limitations that apply please see the applicable product data sheets and other literature and bulletins on our website: [graphicsap.averydennison.com](http://graphicsap.averydennison.com)

All statements, technical information and recommendations about Avery Dennison products are based upon tests and information believed to be reliable but do not constitute a guarantee or warranty of any kind. All Avery Dennison products are sold with the understanding that Purchaser has independently determined the suitability of such products for its intended and other purposes.

<sup>3</sup> Performance results are calculated on 1/4" (6mm) clear glass using NFRC methodology and LBNL Window 5.2 software, and are subject to variations in process conditions within industry standards.
