

Avery Dennison DOL 3000 Series Overlaminates

Protect and enhance your graphics

Avery Dennison DOL 3000 series of digital overlaminates add aesthetic qualities and provide durability and protection of short-term digital print films. Available in Transparent Gloss and Matt finish, these calendared films help enhance the life of your graphics.

Key Features

- Excellent UV, temperature and humidity resistance
- Reduces fading of outdoor digital inkjet media
- Choice of a gloss finish with DOL 3060 Gloss Transparent or a premium matt finish with DOL 3080 Matt variant
- Provides excellent value for outdoor and indoor promotional graphics
- Transparent PET liner for low haze, better clarity and layflat performance
- Designed to be used along with MPI 3000 series (South Asia only) and MPI 3300 series (ASEAN only)

Recommended Applications

- Promotional and point-of-sale advertising
- Exhibition graphics
- Displays & Shop Windows
- Transit advertising
- Meant for graphics applied on flat or slightly curved surfaces
