\* Conformability is determined by ink type, not all UV cured inks are conformable, please refer to the appropriate ICS Warranty Durability Bulletin for conformability performance

<sup>4</sup> Based on vertical exposure in Zone 2 with ICS qualified inks and printers. Please see ICS Performance Guarantee for full terms & conditions (graphicsap.averydennison.com/en/home/services/warranty.html)

\* Where the material is applied in a 'marine environment', the stated warranty period will be reduced by 40%.
